

## David Asay

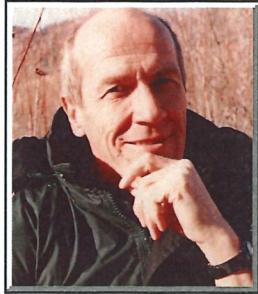

By Lora Asay

D-is for David, a son we adore;  
We have two others and wish we had more.  
A-is for anger, he never gets mad;  
he is gentle and caring, just like his dad.  
V-is for valiant, he does his work well;  
he is a winner as time will tell.  
I-is for intelligence, he knows electronics and such;  
then there's the computer and karate; he has  
just the right touch.  
D-is for daring, he dares to be true;  
he will live the gospel his whole life through.
