

Kenneth Lyle Sanders

Kenny was born August 20th, 1937 in Phillip, SD to Ruth and Clifford Sanders. He grew up on a cattle ranch with 6 brothers and sisters: Ike, Norman, Arlene, Diane, & Butch in Enning, SD. Kenny joined the Navy in 1955 and he proudly served his country until 1959. He met his late wife Donna Sanders in Long Beach, CA and they married in 1960. They lived together in Bellflower, CA for many years and were blessed with two sons, Matthew and John Sanders.

Kenny was a heavy equipment mechanic for the International Union of Operating

Engineers Local 12 for 30 years and he retired in 1995. He was very loved and respected by his fellow coworkers, friends, neighbors and family. After retirement he relocated to Highlandville, Missouri, and again enjoyed the fresh air and farm life tending to his horses, chickens and goats. After Donna's passing he moved to Spearfish, South Dakota to surround himself with his cherished family. Later he moved to Idaho to be with his son, John and his family. He spent his last days in Hurricane, UT with his loving partner, Kim Presley and her Mother Ruby Presley.

He had a passion for horses and passed that along to his grandchildren. Kenny had a very strong love for his grandkids, who lovingly referred to him as their "Poppy". One of his favorite past-times was a good game of Scat! He will always be remembered for bringing smiles and laughter to everyone he knew.

A Cowboy's Psalm

The Lord is my Trail Boss; I shall be led in all I do:

He makes my bedroll soft in the Grama Grass.

The waters of his creeks sing to me;

He keeps me honest and respectable

and I give Him the praise. Even though I ride

into the canyon with the memory of death,

I am not afraid. You, O lord, are with me.

Your rope and your saddle, they reassure me.

You sent the chuckwagon

with beans and a coffee pot

when the winds and snow had chilled me to the bone.

You lead my horse safely, even on the darkest night!

You sure aren't gonna let trouble

and pain buck me off now.

And Lord, call me for that Big Roundup.

I'll give you a hand as long as

the sun and the stars are in the sky.
