## A BROTHER'S LOVE

*There have been times when we hated you.  
There have been times when we missed you.*

*Oh you're always on the go  
and we never have the chance to show  
just how much we really care...*

*So now we want to say  
these three words to you*

*Oh ToeDoe  
We Love You.*

As young children missing their brother...  
this song was written by April and Sharon when ToeDoe  
left to serve a tour in Germany.
